FORBES	Mortgage Principal And Interest: What's The Difference?	Mortgage Tips	<a href="https://www.forbes.com/advisor/mortgages/principal-interest/">https://www.forbes.com/advisor/mortgages/principal-interest/</a>	Mortgage principal and interest are the two key parts of your monthly mortgage payment when you borrow money to buy a home. So what's the difference? Read on!
Forbes	4 Ways COVID Has Changed Home Design	COVID-19	<a href="https://www.forbes.com/sites/blakemorgan/2020/09/28/4-ways-covid-has-changed-home-design/#665899626843">https://www.forbes.com/sites/blakemorgan/2020/09/28/4-ways-covid-has-changed-home-design/#665899626843</a>	The phrase "there's no place like home" has always been true, but especially in the last six months. What used to be a place to return to after a long day now serves multiple purposes to people all day, every day. The home is now an office, school, restaurant, gym, playroom and more.  Forbes has four ways that the pandemic has changed home design. How many of these do you think will stick around for good?
HousingWire	Sales of existing homes surge to a 14-year high	Housing Market	<a href="https://www.housingwire.com/articles/sales-of-existing-homes-surge-to-a-14-year-high/">https://www.housingwire.com/articles/sales-of-existing-homes-surge-to-a-14-year-high/</a>	The National Association of Realtors reports that sales of existing homes rose to a 14-year high. With the cheapest home financing costs on record driving demand for homes, it's safe to say that it is a great time to buy or sell.
Mansion Global	Top Tips for Decorating With Textured Wallpaper	Home Decor	<a href="https://www.mansionglobal.com/articles/top-tips-for-decorating-with-textured-wallpaper-219479">https://www.mansionglobal.com/articles/top-tips-for-decorating-with-textured-wallpaper-219479</a>	"When it comes to dressing your walls, there's paint, there's wallpaper and then there's textured wallpaper. It's an extra layer that creates more interest and adds a sense of depth in any space by way of a tactile touch."  What do you think about textured wallpaper? Do you agree with the experts?
